Fr. Mike opened the meeting with prayer. The PC members welcomed Fr. Mike and introduced themselves.

### **Pastor's Report:**

Fr. Mike explained his insights into what a Pastoral Council should be – a group of both “thinkers” and “doers”. Members must be visionary and collaborate with the Pastor in planning for the parish, but also be able to “roll up our sleeves” and help to make the vision a reality. Fr. Mike expressed his joy and gratitude to shepherd our parish as the Pastor. The seminarian collection was wonderful – over **\$4,000** was collected! Kudos to our parishioners for supporting our seminarians! This will be divided up equally between Bradley McNeal and Kevin Moebius. Krista Gonzalez-Luce has taken on the Perpetual Adoration Chapel coordination at Fr. Mike's request.

### **Open Agenda:**

Michelle Carey will send an email requesting that all PC members write up a short biography and attached a headshot/pic so the bio board in the church narthex can be updated. The designations of pillar assignments will need to be updated. John Lyons will email PC members the descriptions and the PC will assign at the September meeting. Amy Aubry has been working very hard to get various ministry groups to sign-up for hospitality after Masses; if you see that there is not enough help for hospitality, please jump in and assist as you are able. Elections for the Vice-Chairperson and Secretary will occur at the September meeting.

The next PC meeting is scheduled for **September 10<sup>th</sup>** in the **O'Toole Room**; 7:00 pm – 8:30 pm. **Chris Solly** will lead the opening prayer; **Brandon Rehkopf** will offer the reflection.

Respectfully Submitted by **Michelle Carey**, Secretary
