

MOST BLESSED SACRAMENT PARISH

PRESENTS

AN INTERNATIONAL "FESTIVAL" OF FOOD!

Do you have a favorite family dish you would like to share? Do you have a specialty dish that reflects your heritage? Do you enjoy cooking for a crowd? We want you for our 4th Food Festival/Fair! We are planning for up to (20) special cooks to provide at least 100 small servings of their delicacies...entrees, side dishes, baked goods...you name it, we want it! We will provide you with serving dishes to keep the portions consistent so please choose a dish that would work in a small bowl or plate. This wonderful event will occur Sunday,

February 23, 2025— think of it as an early "FAT TUESDAY" celebration! All proceeds support our Most Blessed Sacrament Parish.

- **WHAT?** *A unique opportunity to share a taste of your best cooking with friends and families from our parish.*
- **WHEN?** *Sunday, February 23rd from 12:00-2:00 (following 11:00 Mass).*
- **WHERE?** *In the gymnasium of the Donnelly Neighborhood Center, where you will have your own table to decorate and share your "bites".*

This is an opportunity to share food and enjoy each other company. The parish will provide beverages, prizes for participants, power as needed, tables and table coverings!

More information as we begin to hear from you!
