

World Marriage Day

World Marriage Day, Sunday February 9, is an opportunity to focus on building a culture of life and love that begins with supporting and promoting marriage and the family. While World Marriage Day will be recognized at all weekend Masses on February 8 and 9, the **4:00pm Mass** on Saturday, February 8th will be a special commemoration of this event. Fr. Keith will offer a special blessing for married couples in recognition of their important vocation at all the weekend Masses. As part of the celebration, the parish would like to recognize all married couples in the bulletin. If you would like to be included in the recognition, please submit your names and the number of years that you've been married to the parish office by February 3, 2025. Additionally, to celebrate World Marriage Day further, we'd like to post wedding photos on our website (Facebook page). If you'd like to participate in this aspect of the celebration, please submit a wedding photo to the parish office with your names and wedding date, by February 3, 2025. Your photos will be returned to you.
