

We are Champions for Christ!

September 1, 2022

Dear Charger Family,

We have made it through the second full week!

As we work on our acts of kindness, I want to affirm our 8th graders who have taken an active role in helping to clean up the gym following our lunch periods. They help every day without complaint, and for that I am grateful!

If you have NOT turned in your EdChoice acceptance letter, your child may LOSE THEIR SCHOLARSHIP! Call the office today if you need help. We do not want anyone to lose their scholarship and have to pay full tuition!

French Door Marketing is handling the gym uniforms and spirit wear. A few parents could not find the youth sizes for long-sleeve shirts and sweatpants. They are listed, scroll down through the apparel to find the youth pictures. Please go to this link:

<https://fdm.itemorder.com/shop/sale/> The login/password is : MBSFALL22

Uniforms will be delivered to the school office and given to the oldest child.

The school is still missing many Free and Reduced Meal Applications. **All families must return the school meal application form that came home with the oldest student in your family.** These forms not only help us get meals for your children, but resources for academics for your students. Please return these forms ASAP. If you need another copy, call the school office. For those of you that did turn in your Free and Reduced Meal Applications, there is a letter coming home with your student today.

Students who are the oldest in the family will be bringing home an envelope with new Option C login credentials. The company did a huge upgrade and they have changed how parents and students need to login. Please follow the directions carefully.

September lunch menus are coming home today. Please have them back by Wednesday, September 7th.

Our school website has all the information you could need as a parent. Our parent tab now has a photo gallery! We will be updating it often, so check it out!

There is no school on Monday, September 5 in observance of Labor Day. We will see the students back on Tuesday, September 6.

Blessings for a great weekend,
Mrs. Empie
Principal
