4th Grader Daniela Pacheco-Gonzalez

This student showed true generosity out in the park at recess time. Every day a group of girls practice their cheerleading skills at recess. One day some new girls in the class walked over to see if they could join and learn the cheers. Without hesitation this student said sure and taught the new girls the cheer. She was patient with the other girls and kept showing them how to kick their feet to the front and then to the back. She went one by one to help them and was very generous with her time and kind

words. Her actions were not about receiving an award, they were just about being kind.

Nominated by Mrs. Empie - Congratulations to 4th Grader Daniela Pacheco-Gonzalez

8th Grader Quentin Player Jr.

This student makes each day brighter by being generous with his greetings. Saying "hello" or "have a good weekend!" It may seem like a small thing but this little act of generosity is just the thing someone needs to hear to know they are cared for and appreciated. This student choosing to act with generosity of spirit brightens the day for all around him.

Nominated by Mrs. Hennessy- Congratulations to 8th Grader Quentin Player Jr.

This month we have been working on the virtue of courtesy. Courtesy is treating other people with respect, recognizing that all are made in God's image and likeness.
