

We are Champions for Christ!

July 27, 2023

Happy Thursday, Charger Family!

It is so hard to believe that this is the last week of July! I hope that you have all enjoyed your summer break so far. If you did not receive your summer mailer, please call the main office. We have extra packets available if you would like to pick one up.

Inside the summer mailer are papers that need to be returned to school on or before the first day of school. EdChoice acceptance letters will be mailed to your home from the State of Ohio. When you receive that, please sign it and return it to the school office so that we can accept your scholarship. With the changes in legislation, these letters may be delayed, so do not worry if you have not received them.

Many people have been trying to arrange a time to meet to trade, swap, sell, or buy uniforms. On Monday, August 7, from 6:00–7:30 p.m. I will open up the gym so families can bring uniform items to swap, trade or sell. If you need to buy or get some things that might be free, come on over to the gym. The school is supplying a safe place to do this. Families are to set their own prices and have their own money for change, etc.

All students will be wearing the required gym uniform next school year. The link for Greybot Ink is <https://www.greybotink.com/mostblessedsacrament> and can be found on our school website. **Orders MUST be placed by Tuesday, August 1 in order to be delivered by the first day of school.** Some families have shared that the youth size small sweatpants are too long for their K-2 students and the company doesn't have XS in sweatpants. **For K-2 only that have this issue, please find a royal blue pair of sweatpants that fit your child until they grow into the size youth small.**

Blessings of the Backpacks is the new name for School Supply Drop Off. This event will be on Friday, August 18 and begin in the church at 5:00 p.m. Fr. Mike will be doing a small blessing for the families and for the start of the school year. Following the blessing, families will be released to school to meet teachers and see the classrooms. This is an open house and teachers will be present until 7:00 p.m. There will be food trucks out behind the middle school building, so you can get dinner too!

Kindergarten families, students will be phased into the school year. Half of the class will be coming on Tuesday, August 22 and the other half on Wednesday, August 23. All of the students will then come on Thursday, August 24. Parents will receive a separate email with the list of students for each day.
