## 6-8 (Five nominations)

This student is new to our school this year and has fit in nicely with his classmates. He works hard and is willing to help others. He participates in class and is respectful to teachers and fellow students. When he does well on assignments or tests, he does not brag to others. "Always" is not a word we use often in Middle School. Students in this grade band are often testing boundaries and learning how to handle the world. This student, is always showing the virtue of humility. He is respectful of the time and talents of not only his teachers, but his fellow students. He is engaged in Religion class, listens to ideas that are new to him, and shares his own. He is prepared for class-always. He is engaged and respectful- always. We are happy to nominate him as a Champion for Christ! It is our pleasure to nominate this student for this month's Champion for Christ.

Nominated by the middle school team of Mrs. Hennessy, Mr. Annesser, Mrs. Avery, Mrs. Cedoz, and Mrs. Eighinger,  
Congratulations to 7th grader George Boykin
