Third Quarter Midterms go home tomorrow. Please look for those in students folders. There will also be a box marked if the teacher needs a parent conference on February 14. This is an eligibility check so any student with two failing grades will be ineligible.

It is hard to believe, but we are already planning for next school year. The calendar for the 2025-2026 school year is almost complete. We hope to post that calendar in the next week or so. Teachers are also completing letters of intent for next year. Like all schools, some teachers want to move on to other grade levels, teaching positions, retirement, etc. Mrs. Sido will be taking a Religion teacher position within our school next year, so we have posted the Kindergarten teacher position already. We are excited about the growth of our school!

All registration materials, including the \$100 are due by Friday, February, 21. Sunday, March 2 is Open House and new families will be given open seats. If your packet is missing something it will come back to you with a note on what is still needed. If it is complete you will receive a receipt of acceptance and payment.

***If you need some help with your forms or just want to turn them in, we are having a **Registration Help Night from 3:00-8:00 on Thursday, February 13.** Please come to the main office and enter through the main office school doors.
