

We are Champions for Christ!

March 20, 2025

Dear Charger Family,

Yesterday our 8th graders completed their Science Fair projects and were judged by four high school science teachers from Central Catholic and St. Francis de Sales High Schools. The judges thought our students did a wonderful job! The 6th graders also presented their Geography Fair projects. The students did amazing presentations! Thank you to Mrs. Eighinger and Mrs. Fitzgerald for their organization of these projects.
