

# *We are Champions for Christ!*

May 8, 2025

Dear Charger Family,

I want to thank the Parents Association and all of the parents for making Teacher and Staff Appreciation Week so wonderful. You truly made our staff feel loved!

There is a link in the email with today's letter to do a yearly survey for our school. This is something we need to do in order to keep State and Federal funding for our school. Please take a few minutes to complete it. We use this feedback to make improvements in our school.

Also attached to today's letter is the school calendar for the 2025-2026 school year. This is not everything, but an outline of the important dates of when school begins, ends, and days off. More specific dates will be added during the summer and be on an updated calendar given in August.

The mobile units are installed. Finishing touches on the decking, stairs, electrical, and plumbing are happening currently. The heat in the church is being worked on and the old school building will begin demolition preparations in the next few weeks. It is a busy time in our community!
