

Kroger Community Rewards:

Making a Positive Impact at MBS

Raise Funds for Our School Community

Do you shop at Kroger? **One moment of your time can make a huge impact for MBS!** Turn every purchase you make at Kroger into help to fund the Most Blessed Sacrament Parents' Association.

How it works:

Kroger sponsors a program called Community Rewards. Customers can enroll their loyalty cards into the program and chose a recipient. Kroger donates a small percentage of your purchases to that recipient.

Is it worth it?

Yes! The Parents' Association receives over \$1000 annually from Kroger Rewards. Your enrollment helps us sustain the programs and events that Parents' Association provides to our school community. It's a huge return on a moment of your time.

Getting started is EASY:

Log into your loyalty account at Kroger.com

In the menu, select "rewards" then "community rewards"

Choose "Blessed Sacrament Parents Association" as your recipient

Once enrolled, text a screen shot to Rochelle at (419)705-2719 by 11/30/25 to be entered into a drawing for a \$50 Kroger gift card!
