

## October Champions for Christ

This school year we are working on the Cardinal Virtue of Justice and its related virtues. October we were working on the related virtue of Courtesy-Treating other people with respect, recognizing that all are made in God's image and likeness

### K-2 Grade Band

This student shows courtesy by being a genuine and kind person to everyone he encounters. He shows courtesy to teachers by always willing to help out with various duties in the classroom (passing out papers, being a door holder, and cleaning up around the room). This student shows courtesy to his peers by ensuring they are okay if they are upset, gives them positive words of encouragement if they get an answer wrong and flashing a friendly smile to all he passes by in the hallways. This student is an ideal candidate for displaying courtesy not only in the month of October, but in the words and actions he displays everyday.

Nominated by Ms. Meyer and Ms. Ruth Congratulations to first grader Michael Genzman

### 3-5 Grade Band

This young lady is one of the most courteous students I have ever had in my years of teaching. She is constantly trying to help her classmates by leading by example. She models the behavior of a fifth grader by using her manners and just being kind. Even when her class is not on their most courteous behavior, this young lady never stumbles. She is so helpful and kind. This teacher is proud of her and grateful to have her as one of our students at Most Blessed Sacrament. Nominated by Mr. Frank, Congratulations to fifth grader Aurora Jones.

### 6-8 Grade Band

This student is always willing to help and especially loves to help with the younger students in the school. He serves our younger students with a smile on his face and enjoys every interaction. This student is willing to help around the classroom, especially when there is work to be done. Instead of engaging in rude behavior, he moves himself away from the problem in the classroom. He has improved his behavior over the course of the second quarter, and this teacher hopes to see this continued growth as the year goes on!

Nominated by Mrs. Eighinger, Congratulations to 8th grader Zamarion Sawyer

During the month of November we have been working on the related virtue of generosity which is the giving of oneself in a willing and cheerful manner for the good of others.
