Information about School Schedules and Closures

According to the Ohio Department of Education and Workforce all Ohio schools must schedule a calendar using the following criteria:

Minimum Hours and What Hours Count

School districts, joint vocational school districts and chartered nonpublic schools must be open for instruction for a minimum of:

455 hours for students in half-day kindergarten

910 hours for students in full-day kindergarten through grade 6; and

1,001 hours for students in grades 7-12.

910 hours for students enrolled in traditional school district online schools.

Our 2025-2026 calendar was built with 1137.5 hours. This is 136 hours above what grades 7-12 need. Our school has a junior high, so we adhere to the 1001 hours as a minimum. So our current calendar has 136.5 extra hours for calamity days.

For each full day that we miss, it is 6.5 hours of instruction that the school must deduct. As of Wednesday, January 28, 2026 we have missed 44.5 hours due to weather and sickness.

A new Ohio Revised Code (ORC 3313.482) requires schools and districts to adopt an online-day plan by August 1 annually. The statute outlines the allowable uses and specifies required components to count as a replacement school day. This online plan is not currently in place, but has been developed for the 2026-2027 school year.

Please know that students are receiving all of the mandatory schooling hours each year. If you have any questions do not hesitate to email Mrs Empie at mempie@mbsptoledo.org.
