

We are Champions for Christ!

February 26 , 2026

Charger Family,

Open House is this Sunday, March 1 from 12-2. New families are invited to tour the school and enroll their students for next school year. Please share information with friends and families you know who may be looking for a new school for the 2026-2027 school year.

We are blessed to be working with St. Ursula Academy on some Senior Leadership Projects. The students at SUA are helping us to create a hygiene cabinet for students who may need personal hygiene products to take home with them. They created stall talks so that the students can read about how to take care of themselves. There will be some pictures on the school website soon!

The first MBSP Fish Fry went very well. If you want a delicious fish dinner on Friday, come on over from 4:00-7:00 pm. If you would like to volunteer, see the website for the link to sign up.
