

We are Champions for Christ!

April 30 , 2026

Charger Family,

A big thank you to the generous gifts for Book Fair from Holy Name, Mark Lazar, Parents Association and Youth Board. All of our students were able to receive a book through your special gifts.

As you have been able to tell, there is so much construction going on by the City of Toledo on Bellevue in front of the school. They have promised us that it should all be done by May 9. **Please remember that the street is one lane with no ability to pass so no cars are allowed to block the flow of neighborhood traffic and park by the curb until 2:40.** Thank you for your patience and for working with us as we navigate the city construction. We also found out that they are putting in speed bumps for the safety of our students.

Many families have **NOT** paid their \$150 incidental fee. We need you to pay that right away. Ms. Katie is also missing registration documentation, paperwork, and \$100 from some families. Those spots may be given next week to new families. Please check your emails and get the necessary documents to the office.

NOTE: Please check your email settings. Many family emails are bouncing back to us with the message that the alert and email are spam. Please make sure to list Option C alerts as a safe vendor email and not a solicitation email.

*****IMPORTANT:** If you need bus services for next year, you must go to this link and register:
