

We are Champions for Christ!

August 27 , 2026

Happy Thursday Charger Family,

It has been a wonderful first week of school! Our Kindergarten class is actively working and getting used to a long school day. Grades 1-8 are getting back into the routine of school. Please make sure that students in grades 6-8 are charging and remembering their Chromebooks each day.

Please remember to register for [SchoolStore.com](https://www.schoolstore.com). Encourage family and friends to participate and our school will get the benefits. If you need the information again, call the school office and we will send it home.

Megamoohlah Mania first drawing for \$250 is TOMORROW, Friday, August 28. Please sell and bring in those tickets. The top seller gets to dump ice water on me and Mr. Mower. For every ticket you sell over 2, puts you into a drawing for Halloweekends at Cedar Point. If you need more tickets, contact the office.
