Cardinal Virtue of Justice- Courtesy

K-2 (Two winners)

When I think about courtesy, this student immediately comes to mind! She is always kind, thoughtful, and caring toward her friends and everyone in the classroom. She is quick to notice when someone is feeling sad and always wants to help make sure her friends are okay. She has wonderful manners, always remembers to say please and thank you, and does a great job taking turns with her classmates. She uses kind words, treats others with respect, and is always willing to lend a helping hand. She makes sure those around her feel loved and included. She is a wonderful example of what it means to show courtesy!

Throughout this year, this student has been a shining example of courtesy. This student shows courtesy to every person around her, fellow students, teachers and staff. In class she is always using her manners and says "please" and "thankyou". She lines up without ever pushing or worrying about where she is line. She willingly holds the door open for those behind her including teachers and students. This student always follows all classroom rules and offers to help anyone in class. She NEVER shouts out an answer and is always quietly holding up her hand, waiting to be called on. She listens to classmates and teachers when they are talking, never interrupting. Her attitude makes our classroom a happier place.
This young lady is always willing to help her fellow classmates and teachers, and I have seen her on many occasions being a kind, caring person, and extremely well behaved. She is a Champion for Christ in my book.
